

Frank M. Boyd
Director Region 6
Report
December 2009

Tom:

I have contacted every person that Greg Willey has requested me to contact.

I have contacted Major Les Langton of the Oak Grove Ky Police Dept and he stated that they have applied for their 501-c 3 Status and should be up and running with their New Program. I checked the web site today and they are not listed at this time.

I will check back with him to see if they have paid dues yet.

I made contact by phone and e-mail to Larry Jones in Wynn Ar. in regard to starting a program.

I have not had a reply.

I have tried to contact Larry Ring in Batesville Ar and have not had a reply from him.

This is my report for Dec.

Thanks

Frank
