- IV. How many nonmember programs in the Region were contacted and explained the benefits of joining CSUSA?
 - a. I am not really sure. I spoke with a lot of programs at the regional meeting in Kansas.
- V. Are there any Training Conferences scheduled in the Region? If so, where and when? Are you planning to attend the conference?
 - a. No
- VI. Other items for attention
 - a. DataDots Contract is done. We are working on the marketing pieces and I need a contact of a company to shoot a commercial (30 second spot). Also, we are working on the sales kits for distribution to all programs.
 - b. David Barnes, with DataDots flew to Florida to meet with two programs and Susan or Suzanne, President of the Daytona, FL Crime Stoppers advised him

that "if this took any more time they were not interested. They were all volunteers and their one fund raiser per year was enough."

The Police Department in Daytona, FL wants the program. So, I told Dave if we run into a situation like this in the future, where the local program does not want to participate, to let us know and our Regional Director in the area can see what they can do. If the program still does not want to participate, all profits go to CSUSA.

Respectfully Submitted,

John D. Lamb
Region 9 Director
