

## **Crime Stoppers USA, Inc.**

**Board of Directors  
Chairman's Report**

---

June 9, 2010

Fellow Board Members:

The following is a summary of business addressed by the Chairman since my last report.

### **Web Site Redesign**

Funding Source: 2010 Motorola Grant

I will be meeting with the web designer on June 14<sup>th</sup> to go through the current version of the redesign of the public CSUSA website and they are beginning work on the members only site this week.

### **CSUSA Awareness Materials Project**

Funding Source: 2010 Motorola Grant

Drafts of the first two modules have been completed and the third is in progress. I am working to finalize the PowerPoint presentations and the brochures and will forward them to the board for review when completed in the next two weeks.

### **US Marshals Special Project**

I have been contacted by the US Marshals seeking Crime Stoppers USA assistance with a national initiative. Due to the sensitive nature of the information more detail will be provided during the conference call.

### **FBI Southwest Border Project**

The FBI is looking to CSUSA to assist in coordinating a large scale initiative along the Southwest border of the U.S. Meetings are being arranged with the programs in the target area to discuss how best to utilize the local programs in the initiative.
