Scott,

You asked that I do a side by side on the carriers. Here is my findings between Telecompute and Unlimited Conferencing. It is a no-brainer to me which carrier to go with. We need to have this up and running before our next conference call. You might want to send out an email to the board asking for a vote before the next meeting so we can have this set up. Your call. Also, three people chimed in on today's call and I even heard beeping in the back ground for about 10 seconds, which sounded like a recorder.
