# Coffeewithacop.com

Started in 2011 by two Hawthorne, California police officers, this community initiative gives citizens and law enforcement the opportunity to talk over a cup of coffee.

Choose a coffee shop or business that serves breakfast. Coffee should be free to patrons during the event. A good time is between 8-9:30. No longer than 1-1/2 hours. Maybe have cups made or purchase through [Coffeewithacop.com](http://Coffeewithacop.com)
