

# Student CrimeStoppers

We created Student CrimeStoppers to expand our community outreach in March 1997. This program aids law enforcement and school officials in reducing criminal activity and related problems in schools, on school grounds, and in the nearby communities. We have responded to situations involving the possession of illegal drugs and weapons, and destruction of property. We work to make our schools a safer place for our children.

- There are currently 59 schools on Oahu that are participating in the Student CrimeStoppers program
- Tips range from contraband items, fighting, theft, drugs, property damage, sex assaults, bullying and suicide.

# What do we do?

- Schools will typically submit a request for a presentation.
- We speak to the students anywhere from Elementary to High School.
- We speak on topics such as Vaping, smoking, Internet Safety, Social Media Safety, Fighting, Bullying and Suicide awareness.
- All presentations are catered to the audience.
