

Crime Stoppers National Training Convention

September 13-16, 2024

Indianapolis, IN

Dear Crime Stoppers programs,

Get ready for the **2024 Crime Stoppers USA National Training Conference!**

This year, we are excited to partner with our host, Crime Stoppers of Central Indiana, for a weekend full of excellent training and valuable networking opportunities. Our conference committee is working diligently to bring you knowledgeable speakers to discuss relevant topics that will directly impact your program.

Thank you to our host program for lining up an evening at one of America's Top AAA ballparks! We'll enjoy a pre-game picnic and box seats at Victory Field as the Indianapolis Indians take on the Rochester Red Wings.

Here are just a few quotes from last year's conference surveys:

- "As a first-time conference go-er this was exceptional and I learned a lot."
- "Exceeded expectations."
- "This was SO helpful. Our CS program needs a boost (badly) and that is why I'm at this conference. This session provided exactly the kind of information I was hoping to learn."
- "Overloaded with new ideas. Thank you."

Dale Needleman, Board President of Crime Stoppers of Central Indiana sends a warm welcome, "Indianapolis is a beautiful city to host the conference and the time of year will be perfect for being outside to visit the ballpark, canal walk, museums, and any other outdoor activities. The hotel is right downtown close to all facilities. We are looking forward to a great event! Please join us in Indy!"
