Award Submission Process

Due to the large number of applications Crime Stoppers USA receives from its membership in each of the award categories, we find it necessary to utilize an electronic submission process of award nominations. Please follow these steps below for each award nomination a Crime Stoppers program submits to Crime Stoppers USA.

Award nominations will be submitted through Google Forms, similar as in prior years. Follow the process below to complete and submit the award form and required documentation.

1. Save the specific award nomination form to your local desktop or tablet, adding your program name to the file name title when saving the file. The nomination forms are provided in a fillable Adobe Acrobat PDF file for your ease in completion.
2. Complete the entry form for each nominee/award being submitted, along with accumulating the additional files required for each award such as PDF, audio, video or photos. The Awards Committee is requesting that submitted information be provided in the following manner:
 - a. Any written documents requested in the nomination process be converted to Adobe Acrobat PDF files
 - b. Videos submitted in either .MPEG-4 or .MOV format
 - i. No video files submitted using a reference to a website or provided URL will be accepted. The program must obtain the video file and provide it to the CSUSA Awards Committee in the approved format listed above.
 - c. Any audio files be submitted in either .MP3 or .WAV format.
 - d. Any photos or pictures in .JPEG, .JPG, .PNG or .GIF format.
3. Accumulate all these files for each specific award nomination and title the file by name of the award and program name. For example, TV PSA should all be placed in a file entitled 'TV PSA for (name) Crime Stoppers Program.'
